SUBJECT No. 271.

Kattaya-Hallibyle road.

Messrs. G Srinivasmurti and Ramaswamiengar, Hassan Taluk.

Summary of discussion.—The extension of the Kattaya-Hallibyle road, which is being prayed for for the last twelve years, has not been taken up as yet.

Reply of Government.—Will be taken up when funds are available.

SUBJECT No. 272.

Hospital Assistant to visit Gorur at least once a week.

Mr. Ramaswamiengar, Hassan Taluk.

Summary of discussion.—For the last 10 or 15 years an Hospital Assistant used to visit Gorur twice a week and treat patients, which was of great convenience to the people. But latterly no visits are being paid as the Government have ordered their discontinuance. Every Sunday people come to Gorur for treatment and return disappointed. It is therefore prayed that an Hospital Assistant may be made to visit Gorur, as before, or at least once a week.

Reply of Government.—The old system is not good and cannot be revived. The question of establishing Vaidyasalas at such places is under consideration.

SUBJECT No. 273.

Hassan-Ilwal road.

Mr. Venkoba Rao, Hole-Narsipur Municipality.

Summary of discussion.—As the Cauvery at Yedatore and the Hemavati at Hole-Narsipur are both bridged over, the Hassan-Ilwal road running in Hassan and Hole-Narsipur Taluks may be metalled.

Reply of Government.—Noted.

SUBJECT No. 274.

Hole-Narsipur as Head-quarters of the Revenue Sub-Division.

Messrs. Venkataramaiya, Hassan District Board; Subba Rao and Venkatachar, Hole-Narsipur Taluk.

Summary of discussion.—At present the Arsikere, Channarayapatna and Hole-Narsipur Taluks form a Revenue Sub-Division with head-quarters at Hassan. Representation was made last year that instead of Arsikere, Arkalgud Taluk might be added on and Hole-Narispur made the head-quarters of the Division. Orders have been issued by Government stating that the head-quarters of the Division, as it is at present constituted, comprising Arsikere, Channarayapatna and Hole-Narispur Taluks, cannot be changed from Hassan to Hole-Narispur. It is therefore prayed that instead of Arsikere, Arkalgud may be added to the Division, and Hole-Narispur made the head-quarters thereof.

Reply of Government.—It is too early to reconsider the grouping recently ordered.

SUBJECT No. 275.

Annachattram at Hole-Narsipur.

Mr. Venkataramaiya, Hassan District Board.

Summary of discussion.—Government have passed final orders expressing their inability to open an Annachattram at Hole-Narsipur. Travellers and pilgrims proceeding to Coorg, Udapi, Subramanya and other places pass through Hole-Narsipur. Owing to the opening of a railway line from Mysore to Harihar, there are many chattrams near the railway line not useful for travellers. One of such chattrams may be transferred to Hole-Narsipur.

Reply of Government.—The redistribution of the chattrams in the State was ordered very recently. No change can be effected at present.
